After planning the time schedule to 400 hours to fit in the 28th of April 2022 deadline. The time schedule finishes on the 12th of March 2022, giving leighway. [Time Schedule - https://view.monday.com/1722876472-ab76699feb1263e51a11f4bdf7fda63r=usel](https://view.monday.com/1722876472-ab76699feb1263e51a11f4bdf7fda63r=usel)

Abstract—This document provides the proposal of the Independent Project. After doing in-depth research and planning, the working title for this project is VisualPro.

Index Terms—Visual Programming, Proposal, Research.

VI. REFERENCE LIST

I. INTRODUCTION

The VisualPro Proposal document includes a Literature Review, Aims and Objective, Project Design, Resources and Planning and Reference List.

The Literature Review section includes academic books and journals related to the project proposal. Within the extensive research, hand-picked articles and journals to show what technologies are required to make the idea plausible, which in turn narrows down the association of the project towards the author's study area.

After the Literature Review section, the Aims and Objectives of the project are covered. This section will give the reader an idea of how the final product will impact society and its user base.
